

Vallouise bike park

Vallouise - Vallouise-Pelvoux

(Rogier Van Rijn)

Mountain biking park suitable for children aged three years and over and divided into two parts to help improve your level.

Located in the municipality of Vallouise in the « St Genest » recreational area, this bike park has two separate areas. The first is designed for children aged 3 years and over, with a play area circled by a very easy short loop with humps and banked bends made from wood. The second, called « Planète VTT » is open to those aged 6 years and over. It has numerous mountain biking modules made from wood and earth, over a longer loop. Plenty of fun to be had!

Useful information
